

KELLY GROSKLAGS

NATIONAL SPEAKER | THERAPIST | AUTHOR

KELLY SHARES THE WISDOM OF THE DYING TO BETTER THE LIVES OF THE LIVING.

Having walked the dying journey with thousands of patients, and witnessed the final breath of hundreds, Kelly shares profound end-of-life insights in her characteristically personal and poignant way.

Kelly's passionate and supportive demeanor helps patients, caregivers and health professionals live a more meaningful, honest and impactful life.

“

Kelly is a dynamic, engaging, and compassionate presenter who is great to work with and her ability to connect and truly resonate with the audience is amazing. Her presentation style is interactive and contained just the right amount of heart and humor.
